What is Moo cups?

Moo cups is Ellwood Nursery's activity group specifically designed for children who are aged 18 months and over and, at present, do not attend nursery.

It does not matter if you expect them to attend a nursery other than Ellwood or Parkend—*Moo cups* is open to **all** pre-nursery aged children.

Why attend Moo cups?

Moo cups aims to help in the transition from home to life at the nursery.

Your child will be encouraged to develop their social skills and you will have the opportunity to socialise with other parents. Although our fully trained staff will always be on hand to offer advice just being able to talk with other parents can be very reassuring for first time mothers and fathers.

Our activities are designed to stimulate your child and include:

- Musical instruments and music time
- Art and crafts such as gluing and finger painting.
- Playdough to manipulate and begin to use tools
- The sensory tray - fun with jelly, spaghetti and cornflour.

Your child will also enjoy unlimited use of our outdoor area and toys.

What do I need to bring with me to Moo cups?

Apart from your child and suitable outdoor clothing, **nothing!**

You provide the children and we provide everything else!

All materials are included in the session fee. Additionally, your child will be provided with a healthy snack to eat. Light refreshments will be available for parents.

When is Moo cups?

Moo cups will be open **09.30 - 11.00** every Tuesday morning* .

**Moo cups* does not operate on during Nursery School Christmas Holidays

How much does Moo cups cost?

Moo cups is completely free!

This includes:

- a snack for the children and
- light refreshments for the parents.

How do I find out more about Moo cups?

Just come along any Tuesday morning. Find out more whilst you enjoy a cool drink and your children try the bikes, painting and much more!
